

Western Metropolitan Regional Council

Dear << Test First Name >>,

Earth Carers have been out in force lately, though you are excused if you did not actually see us...because we were in the brand new battery costume! We have been promoting battery recycling in the western suburbs and handing out household battery recycling bags. A very big thank you to our volunteers for making the Scotch College Sustainability Fair and the Mosman Park Community Fair a wonderful afternoon. Can you see the resemblance between our battery and her granddaughter? We look forward to catching up with many more of our volunteers at coming events and thank-you to all our volunteers who have already put up their hands. As well as attending these events we have been busy organising some extra special events of our own, keep reading to find out more.

Nabilla, Amy & Rebecca

Upcoming Sustainability Events

- [Free Waterwise Gardening Talk \(30 April\)](#)
- [Josh Byrne presentation on Composting and Sustainable Living \(4 May\)](#)
- [Mosman Park EcoFair at St Luke's \(7 May\)](#)

- [Subiaco Active Commuter \(until 6 May\)](#)

A little birdie told me
what's new ...

- [Blogs](#)
- [Libby's soap tips](#)
- [Plastic bag ban](#)

Free Waterwise Gardening talk

Date: 2.30-3.30pm Saturday 30 April

Location: Grove Community Centre, 1 Leake St, Peppermint Grove

Booking: RSVP essential to Andriana at susto@mosmanpark.wa.gov.au

At this FREE talk you will learn how to create a beautiful and thriving garden that uses a fraction of the water. We will also debunk common gardening myths. Also, come and see our local native garden display in the Library! For more details download the flyer [here](#).

Josh Byrne presentation

Date: 7-9pm, Wednesday 4 May

Location: Grove Community Centre, 1 Leake St, Peppermint Grove

Booking: RSVPs essential, email earthcarers@wmrc.wa.gov.au or call us on 9348 4003.

Josh's presentation is a highlight of our Earth Carers **International Composting Awareness Week 2011 (ICAW)** programme, places are limited and going fast so please book in now to avoid disappointment. This year's ICAW theme is "Compost, Help Scrap Carbon Pollution". For more details, information and events go to their [website](#).

Free Earth Carers Course

Date: 7-9pm, commences Tuesday 17 May (five sessions over three weeks)

Location: Western suburbs community centres and facilities.

Programme: For full details of the programme including date, topics and venues go to our [website](#).

Booking: Registrations essential, registration forms available on our [website](#) or call us on 9384 4003.

A course for people interested in learning practical ways to manage their household waste. The course will unravel the mystery of recycling, provide tips on reducing waste and green cleaning, include a tour of a local landfill and let you get your hands dirty composting and worm farming at a community garden.

Come along a meet other local sustainability enthusiasts. If you have already done the course and enjoyed it, please tell your friends. Earth Carers are welcome to come along to any sessions you may have missed previously.
